Mean Payment				\$ 30.57			
Median Payment				\$ 29.64			

2010 Payment Formula: [(Work RVU x Work GPCI) + (PE RVU x PE GPCI) + (MP RVU x MP GPCI)] x CF

Without Congressional action by year-end 2009, the 1.0 floor on the Work GPCI will end as of January 1, 2010 and the Conversion Factor (CF) will be cut by 21.5% to \$28.3208, the lowest CF ever since the RBRVS was implemented in 1992 when the CF was \$31.0010.

TC = Technical Component

Data sorted in descending order by Payment, then by Work GPCI.
