*Alaska's 1.5 floor on the Work GPCI was established by the MIPPA.

**HR 3590, the Patient Protection and Affordable Care Act signed into law in 2010, calls for establishment of a 1.0 floor on the PE GPCI for Frontier States, which includes MT, ND, SD, UT and WY, beginning 1/1/2011.

The 1.0 floor on the Work GPCI was reinstated for CY 2010 by HR 3590.

HR 3590 applied a fix of 1/4 to the rent/staff wage inputs of the PE GPCI for 2010 retroactive to 1/1/2010 and a fix of 1/2 to the rent/staff wage inputs for 2011. This chart assumes Senate passage of HR 4872, the House Reconciliation bill, that applies the 1/2 fix in both 2010 and 2011.

Data sorted in descending order by GAF, then by PE GPCI.
