WAKONDA CLUB IN DES MOINES • MONDAY, SEPTEMBER 20, 2010

A Good Cause and a Good Time

Join us for the 9th Annual Physicians Golf Challenge (PGC) on Monday, September 20, at Wakonda Club in Des Moines.

Designed by famed golf course architect William Boyce Langford, Wakonda Club was founded in 1922. Consistently rated as one of the top golf courses in Iowa, the entire area is truly a thing of beauty. Every round is a new experience and a new adventure because no two rounds are ever the same at Wakonda Club.

The rolling hills, the majestic trees, the undulating fairways, and the ice-slick greens present a unique set of challenges from the time you tee off on #1 until you climb the hogback on #18. You're sure to feel moments of frustration as well as feelings of elation as you navigate your way and enjoy an amazing golfing experience. One thing is for sure – you will never be bored for a minute with the Wakonda Club experience!

Medical Student's Plight

Young people who become physicians will be \$160,000 in debt by the time they graduate.

To help ease this burden and ensure that we have enough doctors, the Iowa Medical Society Foundation (IMSF) is granting scholarships to talented medical students. The 9th Annual PGC will raise money for this worthy cause and provide an afternoon of prizes, fun and golf for participants.
