Dear Industry Professionals:

On behalf of the Rheumatology Association of Iowa (RAI), we invite your support and participation in the 12th Annual Meeting taking place February 27-28, 2026 at The Hotel Kirkwood Center in Cedar Rapids, Iowa.

On Friday, February 27, RAI president, Dr. Hanna Zembrzuska, will begin the meeting with a Keynote Speaker to follow. We welcome you to join us for our Welcome Reception that evening.

On Saturday, February 28, RAI will continue its Annual Meeting which will focus on the most up to date scientific and advocacy issues for Iowa Rheumatologists.

Exhibits and Promotional Partnerships are an important part of this meeting's success and benefit both the attendees and the companies who choose to participate. We are expecting approximately 40 rheumatologists and medical professionals to attend this CME event in Cedar Rapids. All exhibitors will be positioned in assigned spaces within the exhibit hall, which is separate from the scientific sessions.

Please review the enclosed prospectus materials carefully and submit the online registration form and payment to Rheumatology Association of Iowa as early as possible.

We look forward to receiving your commitment and working together at the RAI Annual Meeting. Thank you for your consideration.

Best Regards,
