

Apply Today for the IMSF Global Health Scholarship!

IMSF
IOWA MEDICAL SOCIETY FOUNDATION

The Iowa Medical Society Foundation (IMSF) will provide scholarships for University of Iowa and Des Moines University medical students for funding of their Global Health electives. **Applications are due by 11:59pm on December 31, 2026.**

The IMS Foundation considers funding requests if they relate to one of the following

- Health education, promotion, and / or wellness programs
- Activities that enhance the medical education of future Iowa physicians
- Programs that promote the path of medicine

Applications guidelines:

- The student must be a medical student at the University of Iowa or Des Moines University
- Clinical experiences will be in rural or medically underserved areas: domestic or international
- Students must be supervised by a qualified healthcare provider affiliated with the clinical site
- Clinical experiences need to be approved by their medical school
- Clinical experiences are to be taken within the following academic year and completed prior to graduation

Post Global Health Experience Report

Students are required to submit a written report within 4 weeks after returning and include:

- Summary of location and population served
- Description of day-to-day tasks
- Explanation of achieved goals
- Pictures and videos you are willing to share
