

Anthony Nguyen

Finance Director, Iowa Medical Society

As an experienced finance and accounting professional, Anthony Nguyen has a proven track record of building, rebuilding, managing, and implementing accounting systems in for-profit and nonprofit organizations.

Anthony is Finance Director of the Iowa Medical Society (IMS), a statewide professional association for Iowa physicians. Established in 1850, IMS represents over 6,000 physicians, residents, and medical students. In his role, he has successfully brought over 15 years of rich and varied experience in rebuilding and managing IMS's finance system, implementing internal controls, leading the annual budget process in collaboration with IMS departments, managing cashflow, payroll and employee benefits, preparing, analyzing, and presenting financial reports to the Board of Directors, and serving as the point of contact to work with CPA firms on IMS' annual audit and tax returns.

Before joining IMS, Anthony was Finance Manager of Youth Law Center (YLC) and ASK Resource Center (ASK). YLC is a non-profit corporation in the State of Iowa dedicated to protecting abused and neglected children, educating youth, and promoting statewide policies that positively impact children. ASK is a family-focused nonprofit organization whose mission is to empower individuals with disabilities and their family members by providing innovative and collaborative advocacy, training, resources and supports. Nguyen successfully upgraded their finance systems to a higher level by rewriting the standard operations procedures for the finance department, migrating the accounting system to QuickBooks Online, bringing payroll in house, building annual budgets for the organizations and various state and federal programs, setting up and managing billing systems and tracking federal grant financial records, managing revenues and expenses and preparing financial statements.

Anthony earned a Master of Accounting degree at Drake University. He also earned his Bachelor of Administrative Management at the University of Economics in Ho Chi Minh City, Vietnam and an associate degree in Accounting at Des Moines Area Community College in Des Moines.
