

Heather L. Lee

Membership, Sponsorship & Operations Manager, Iowa Medical Society

With a background in sales, non-profit membership and events, Ms. Lee was uniquely qualified to become Iowa Medical Society's (IMS) Manager of Membership, Sponsorship and Operations.

Prior to joining IMS, Heather was the Events Manager for a statewide non-profit the Foundation for Children & Families of Iowa (CFI). In this role she planned and organized fundraising events, secured sponsor support of CFI, coordinated volunteer opportunities, and worked with organizations hosting donation drives.

Heather started her career in sales and has over 15 years of experience in various sales positions. After getting involved with several community organizations, graduating from a community leadership class and volunteering on non-profit boards, she found her passion in the association membership realm and took a position at a local chamber of commerce as their Membership Director. She was at this position until moving to Iowa, where she evolved her skills with CFI. Now after two and a half years with IMS she is making positive impacts for the organization by showing growth in the group dues program, proactively recruiting sponsors/affiliates, and accurately maintaining the member database .

Outside of work Heather maintains an active lifestyle including kayaking, hiking, and playing pickleball. She is a top contributor in the Women on Adventures Des Moines group and enjoys traveling with friends and family.
